This handbook has been prepared by the Administration of Earl Warren High School and Construction Careers Academy in cooperation with the Superintendent and the Board of Trustees of the Northside Independent School District. It is for your guidance in understanding some basic policies around which your school functions. Please read carefully and abide by these rules and regulations. A comprehensive handbook including academic policies and procedures, acceptable use of the district's technology resources, district policy and student code of conduct is available online.

## EARL WARREN

Earl Warren was born in Los Angeles in 1891 and spent most of his childhood living in Bakersfield, California, where his father worked as a railroad employee. Earl Warren's desire to enter the legal profession can be traced throughout his school days in Bakersfield. Earl Warren entered the University of California at Berkeley where he majored in Political Science. He received his B.L. degree in 1912 and was admitted to the California bar in 1915. From 1920 until he retired in 1969, Earl Warren served in the public sector. He was the Alameda County district attorney for fourteen years. In 1942 he began the first of three terms as the Governor of the state of California. In 1948 Earl Warren was the Republican nominee for vice-president under Thomas Dewey. In 1953 President Dwight D. Eisenhower appointed Earl Warren as the fourteenth Chief Justice of the United States Supreme Court. Earl Warren is remembered not only as one of the truly great chief justices of the Supreme Court, but as one of the most influential Americans of the twentieth century. Warren court decisions vastly expanded civil rights and personal liberties and generations later, continue to define American freedoms.

## ACADEMIC INFORMATION

Warren is a comprehensive high school designed to serve the needs of all students, regardless of their background and goals. The curriculum is as varied as the student body, with course offerings designed to prepare students for their "next step," whether that step be a job, technical school, college, marriage, or a combination of these.

### A. Course Selection

1. Students will receive a Northside Independent School District Course Description Catalogue to assist them in making course selections. Suggested sample four-year plans to aid students and parents in preparing individualized programs are also available.
2. Students will receive sufficient help from their counselor in preparing the type of program they desire. Parents and students are encouraged to make individual appointments with counselors as the need arises.
3. Seniors are seen early in the fall of their senior year for help in finalizing post-graduation plans.
4. Counselors will prepare a comprehensive handbook for seniors.
5. When senior appointments are concluded, counselors schedule small group junior conferences to discuss career and educational plans.
6. Freshmen and sophomores are seen in small groups for planning and decision-making.
7. Students are encouraged to utilize the Career Center to obtain information regarding careers, colleges, job placement, etc.
8. Students may go to the Guidance Office before or after school and between classes to make an appointment to see their counselor.

## B. Policies

1. Students are assigned to counselors alphabetically
2. All students must carry at least six subjects per school year unless they are in one of the career and technology cooperative programs.
3. Correspondence courses may be applied to graduation requirements when such courses are approved by the counselor. Correspondence courses to be used for graduation should be completed on or before the beginning of school in the fall of the senior year. If not, the student may remain a junior until the course is completed and credit is received.
4. Students wishing to take courses in summer school, night school, or by correspondence must obtain written permission from their counselor before enrolling.
5. Credit will be awarded per semester (except for certain 2 hour CTE courses) in a full year course when the average of two semester grades equals 70 or higher. Credit denied because of absences will not average with a passing semester.

## College and Career Center

The College and Career Center is staffed by an instructional specialist. It is located in the "A" building and is during school hours.

The beginning point for utilization of the College and Career Center is the [Choices360](#), a computer-based program which provides current, easily accessible information on occupations, two and four year colleges, trade and technical schools, graduate schools, financial-aid and armed services. While not all-encompassing, the following components are found in the Career Center:

**College and Career Library:** Catalogs from Texas and out-of-state colleges, books about selecting a college, current career and scholarship information, and books related to financial aid and preparing for college entrance exams are available for student use from our Career Center library. Most catalogs may be checked out overnight. Students may visit the Career Center before school, after school, and, when they have a pass from their teacher or counselor.

## Library

Each campus library supports the curriculum and provides a wide variety of materials suitable to the interest and abilities of students in their pursuit of knowledge and love of reading. Information literacy skills for life-long learning are taught, practiced, and applied. Home access to the online card catalog is available at <http://webcat.nisd.net/>. In order for each school to maintain a high quality collection, students learn responsibility in caring for library materials. If library materials are lost or damaged the student is expected to pay for them.

The library has a varied collection of books and electronic resources and offers opportunities for research and enjoyment. Courtesy and cooperation in all library relations will assure all students equal opportunities to use the library materials in an atmosphere conducive to learning.

The library is maintained in order that school life be made more meaningful, enjoyable, and valuable to each member of the student body. It is to be used for research and reference.

1. The library will be open each school day from 8:00 a.m. to 4:30 p.m. Extended hours will be published for the 2018-19 school year to encourage wider use of the library after hours.
2. Upon entering the library the student will sign in as directed. Students coming from classes must present a pass signed by the subject teacher. Passes are needed before school and during lunch are available at the front desk.
3. Books are checked out for a two week period and may be renewed. No more than three books may be checked out at a time.
4. When checking out books the student will present his/her ID card at the desk.
5. The student is responsible for all books checked out in his/her name.
6. Students must pay for books lost or damaged. If a book which has been lost and paid for is found in good condition, the money paid will be refunded minus the amount of any fine due at the time the book was returned.
7. All accounts must be settled at the end of each grade reporting period.
8. Overdue notices will be sent every four weeks. Students receiving notices are expected to come to the library to settle accounts as soon as possible. Failure to receive notices does not, however, exempt students from their obligations.
9. Magazines and reference materials are to be used only in the library during school hours.

# ATTENDANCE

## ABSENCES

### MINIMUM ATTENDANCE FOR CLASS CREDIT LAW

The Minimum Attendance for Class Credit Law (Texas Education Code 25.092) STATES THAT A STUDENT MAY NOT BE GIVEN CREDIT FOR A CLASS UNLESS THE STUDENT IS IN ATTENDANCE FOR AT LEAST 90% OF THE DAYS THE CLASS IS OFFERED. EXCEPTIONS PROVIDED IN SCHOOL DISTRICT POLICY. (Please refer to Section "D" of this handbook for a complete explanation of the law.)

## DUE TO MISSING A BUS

A student who misses the bus must make every effort to get to school because all classes missed are counted against his/her required attendance.

## ARRIVAL AT SCHOOL

Once the students arrive on campus they are not to leave without checking with the attendance office. For permission to leave school refer to Section D of this handbook or the Readmission Procedure below.

## TARDIES

A student is marked tardy to class if he/she is not in his/her assigned place when the tardy bell rings. Between class periods there is a six (6) minute interval for passing, and a student is tardy to the next class or study period if he/she is not in the assigned place at the end of this interval.

Tardiness to school, with few exceptions, is inexcusable. Students more than fifteen minutes late to school must report to the attendance office and may be subject to disciplinary action if the absence

is unexcused. Students more than fifteen minutes late to a class are considered absent for that period. Students will report to the Tardy-Round-Up Station if directed to do so by the teacher. Students may be assigned ISS or D-Hall for excessive tardies. Excessive tardies for upperclassmen may result in the loss of parking and off-campus privileges.

## **READMISSION PROCEDURES FOLLOWING ABSENCES**

Tardiness to school, with few exceptions, is inexcusable. Students with three or more tardies will be subject to disciplinary action. Students more than fifteen minutes late to school must report to the attendance office and may be subject to disciplinary action if the absence is unexcused. Students more than fifteen minutes late to a class are considered **Absent Tardy (AT)**.

1. On the day following an **all day absence** the student will report to the attendance office before 8:37 a.m., during lunch or after school and present a note signed by the parent/guardian stating the reason for the absence and the date of the absence. The secretary will mark whether the absence is excused or unexcused and sign the note on a special admission slip. The student should show all teachers on his/her schedule the slip.
2. If a student fails to bring a note within **three days** of their absence, his/her absence will remain unexcused (**UA**). Students who are truant are subject to disciplinary actions.
3. A student attending **only part of the school day** due to a medical appointment or family emergency, etc., needs to have a parent/guardian come into the attendance office with a **picture ID** to sign the student in or sign out. If the student arrived after the school day starts the parental/medical/etc., note will be replaced with an **admission slip**. If a student must leave before the end of the day, the parental note will be replaced with a dismissal slip. Upon their return to school, they must bring parental/medical/etc. note or the absence will remain unexcused (**UA**). **It is advised that students inform their teachers about any planned absences prior to the absence.**
4. Students who arrive after 9:05 a.m. due to tardiness must sign in at the attendance office and receive an **Absent Tardy (AT)** slip. Students who are excessively tardy to 1<sup>st</sup> period and other classes will be referred to the Assistant Principal's office.
5. Student missing more than **fifteen minutes** of a class is considered **Absent Tardy (AT)** for the period. **The teacher will keep the student in class and will email the attendance office to record AT.**
6. If there is a question concerning the validity of any note the student will be referred to the Assistant Principals' office for verification.
7. During STAAR testing, if students leave campus prior to the end of the testing day, they will be marked UA. Students will need to provide a doctor's note to remove the UA.

## **ABSENCES AND GRADES**

Students are encouraged to make up work from all absences, regardless of reason. Tests or work not made up will result in a grade of "0" for that assignment or test. Unexcused absences and truancies may be made up, although the grade may be reduced (as would be the case for late work). Truancies may void any opportunity for a waiver from the state attendance policy. If the absence is long term, parents are encouraged to request assignments through the Attendance Office. Please see other sections of the handbook for district guidelines on make-up work.

# **GENERAL INFORMATION**

## **DELIVERIES**

The front desk will not accept deliveries for students such as gifts, food for parties and cash without administrative approval. Items forgotten at home can be dropped off at the front desk. The student will collect the item between classes rather than during class.

## **CHANGE IN NAME, HOME PHONE NUMBER, OR ADDRESS**

The Attendance office should be informed of any change in a student's name, phone number, or address. It is important that the school has this information in case of an emergency and to make changes in school records.

## **CHARGE FOR DUPLICATE COPIES OF STUDENT RECORDS**

Each student receives a copy of his/her grade report, schedule, schedule change, etc.

## **CLASS DISMISSAL**

The dismissal bell in the classroom is not a signal for students to move. It is a signal for the teacher to conclude that particular class.

## **PARENT CONFERENCES**

Each teacher is assigned a conference period as part of his or her teaching assignment. This period is set aside to give the teacher opportunity for carrying out plans for both classroom work and individual guidance to students. Another purpose of this period is to provide a teacher with a scheduled time to conference with parents. Parents may make appointments to visit with teachers by contacting the Principal's Secretary at 397-4205. If all teachers are requested for the conference it will be held before or after school. Parents must make prior arrangements to visit a classroom.

## **CONFISCATED ITEMS**

Confiscated items may be picked up by parents in the Assistant Principal's office.

## **CORRIDOR PASS**

Students must carry a valid corridor pass assigned by the teacher when leaving during instructional time.

**ELECTRONIC DEVICES** During the school day unauthorized use of Personal Electronic Devices (PED's) is prohibited. If the use of the device causes a disruption or is used for any purpose deemed inappropriate by the administration disciplinary action will be taken. Examples of inappropriate use include but are not limited to taking pictures, recording images, using the device as a speaker system to play music etc. The use of PED's in the classroom is prohibited unless it is used for approved instructional purposes. Students who continue to violate this policy will be subject to escalating consequences. Students should follow specific guidelines regarding PED's in Section B and Section E of the Student-Parent Handbook which include the Acceptable Use of District's Technology Resources.

## **FINALS (SEMESTER EXAMS)**

Finals for 2018-19 will be during the last 4 days of each semester. Please see our campus website for more information.

## **FINANCIAL OBLIGATIONS**

In order for a senior to participate in senior related activities including but not limited to prom, invitation distribution, cap and gown distribution, graduation rehearsal, and project graduation, the student must be in good standing with the campus and the school district. Seniors must clear all debts and obligations prior to these events. Debts and obligations could occur from club, class, or organization dues; spirit, fine arts, and athletic organization supplies and activities; uniforms; textbooks; fundraising events; and any other financial debt or obligation from school owned items checked out to the student. Students wishing to tryout for spirit groups must also be in good financial standing prior to tryouts.

**FIRE / LOCKDOWN DRILLS** Fire drills occur per state law, one time per month. All students and staff are expected to participate appropriately. Lockdown drills will be conducted twice a year (1 in the Fall 1 in the Spring). These drills will be conducted by the campus administration and NISD police. Given the serious nature of a lockdown and to not cause alarm, students will be informed about the drill in advance. Student assemblies during the first week of school will address these procedures.

## **GRADUATION**

The graduation ceremony is a school function, and being such is part of the school year. Therefore, a graduating senior who violates the Student Code of Conduct, and as a result is assigned to an alternative placement for a period of time that extends through the date of graduation, will not be permitted to participate in the graduation ceremony.

Graduation is a solemn and dignified ceremony. Students are expected to observe proper etiquette during the entire graduation ceremony. While they are on the stage and receiving diplomas, students must keep their hands at their sides at all times. The only time hands may be lifted is when students are receiving diplomas from school board members and shaking hands with the superintendent. Students who raise their hands above their waists for any reasons other than receiving the diplomas or shaking hands may be removed from the graduation ceremony. Students demonstrating any other behaviors that serve to lessen the dignity of the event may be removed from the graduation ceremony. All students are expected to demonstrate a high degree of maturity and behave appropriately. The campus administration will visit with seniors in May to talk about specific policies and procedures for graduation. All information will be posted to the campus website.

## **HEALTH SERVICES**

The school nurse gives first aid only. She does not diagnose illnesses, but takes note of symptoms and notifies the parents of her observations. Students are to be kept at home when ill, and they should return only after they have had a normal temperature for 24 to 36 hours after any illness. This is important for the health of the student and for the health of all students at school.

If a student becomes ill or is injured while at school, he/she will be given first aid and parents will be notified. In no case will a child be sent home until the parent or the person indicated by the parent has been contacted. Every effort will be made to contact the parent first. If the parent is unable to come for the student, arrangements must be made for his care by the parent. In an extreme emergency, EMS or an ambulance (designated by the parent) will be called. Medicine, as per NISD policy, must be administered by the campus nurse. It is the parents' responsibility to renew the Medical Release Card each year. Please inform the student's counselor or the nurse of diagnosed medical problems.

## **I.D. CARDS**

All students must have an I.D. Upon enrollment, all students will be issued a Warren High School or Construction Careers Academy student identification card through the Assistant Principals' Office, A114. The first card is issued free of charge. Lost or stolen cards will be replaced for a \$5.00 fee. Students are to carry their school I.D. card while on campus and to all campus events.

## **IN-SCHOOL SUSPENSION (ISS)**

In-School Suspension (ISS) will be used as a disciplinary measure by the Assistant Principals' Office to help students assume more responsibility for their actions. Students will be expected to successfully complete assigned ISS work and demonstrate their ability to follow rules. Parents will be notified of an ISS assignment by campus administration or designee.

Failure to follow ISS rules may result in suspension and a parent conference before a student can return to school. Student phones and electronic devices will be locked away at the beginning of ISS and returned to the student prior to the end of the school day.

## **LOCKER ASSIGNMENT**

Lockers are assigned to students at the beginning of the school year. Lockers should not be used by more than 1 person due to security and responsibility for items stored. Lockers are NOT the student's personal property and are subject to inspection by school personnel. Lockers are provided as a service for storage of books and school needs. They are not intended for the safe keeping of valuables. The school district has no insurance to cover items lost or stolen from the lockers.

## **LOST AND FOUND**

If anything of value is found on the grounds or in the building, please turn it in to the Vice-Principal's staff, which will attempt to find the rightful owner. If you have lost anything, check in the Vice-Principal's Office.

## **LUNCH**

There will be three (3) lunch periods. Students must remain in the **cafeteria** and **courtyard area only**. No other location is authorized during lunches. No reusable utensils or trays may be taken from the cafeteria. Students are expected to properly dispose of trash and disposable items. No food or drink is allowed in the classrooms. Lunch periods are on the closed campus concept. Only seniors and juniors who meet specific criteria may leave campus for lunch. (See Senior/junior lunch policies.) Students who are found in unauthorized areas are subject to disciplinary action.

## **MEDICAL EMERGENCIES**

Students must report to the CLINIC with a pass if they become ill or are hurt in any way during the school day. STUDENTS ARE NOT TO LEAVE SCHOOL, WITH OR WITHOUT PARENTS, UNLESS THEY HAVE SIGNED OUT THROUGH THE CLINIC. It is the responsibility of the student and parent to provide the school with an emergency phone number so that parents may be notified immedi-

ately should such a need arise. Students must have permission from the Clinic to sign out through attendance office.

## MESSAGES

Messages for students will be delivered as appropriate from the front desk staff without disrupting classes.

## PARKING CARS ON CAMPUS

Due to the limited number of spaces and safety concerns only Junior and Senior students will be permitted to bring cars to school and park on campus. All operators must have a license and insurance and abide by all school safety and parking regulations. All vehicles will be registered through the Vice Principal's office. Upon arrival at school, cars are to be locked and students are to come IMMEDIATELY into the building. The parking lots are off limits during the school day. Students in the parking lot without permission from an administrator will be subject to disciplinary action. Parking rules and regulations are provided upon purchase of a parking sticker for \$15.00.

## **CARS PARKED ALONG THE RED FIRE LANES MAY BE TICKETED BY THE NISD POLICE DEPARTMENT.**

## PARKING AND TRAFFIC REGULATIONS

### I. RESPONSIBILITIES

- A. Parking on campus is a privilege that can be revoked if the following responsibilities & parking regulations are not followed.
- B. All students, faculty and staff members who park their vehicles on the campus must secure and display a parking permit. THE RECEIPT OF A PARKING PERMIT DOES NOT GUARANTEE A PARKING SPACE. However, it does authorize parking if the space is available.

- D. Texas laws governing motor vehicle operation are effective on all campus locations.
- E. All persons should report accidents which occur to the campus police officer.

- B. Drivers will refrain from parking in places that may obstruct traffic. It is a violation of these regulations to park in the following manner and may result in the vehicle being towed away:
  1. on any curb, sidewalk or island
  2. by a red curb
  3. in front of a fire hydrant
  4. in any place designated as a loading zone or marked "no parking"
  5. in front of a movable barrier
  6. in any driveway, entrance, or exit
  7. double parking

- E. Registration information includes an operator's name and address, a valid driver's license, school identification card, vehicle license number and description. Also, the name of the vehicle's insurance company and policy number are required. A vehicle must be insured with the student name on the insurance policy before a permit will be issued.
- F. Two-wheel vehicle permits are to be affixed to an area that is easily seen.

## PERMISSION TO LEAVE CAMPUS

If students plan to leave school during the day for a doctor's appointment, they must present a parental note to the Attendance Office BEFORE SCHOOL. The Attendance Secretary will write a dismissal slip for the student to leave class at the appropriate time. THE STUDENT IS REQUIRED TO COME TO THE ATTENDANCE OFFICE AND OFFICIALLY SIGN OUT BEFORE HE/SHE LEAVES CAMPUS. Parents may wait for students in the Attendance Office. The dismissal slip will serve as the student's admit the next day.

If parents need to take their child out of school during the school day, they should PERSONALLY come to the Attendance Office to check the student out of school. Please be prepared to show proper identification when checking a student out of school, so the student can be in class for maximum instruction time. Parents should not request the student be waiting for them in the attendance office. Please allow enough time to check the student out of school and still arrive at the appointment.

## **POSTERS AND SIGNS**

All posters and signs:

1. Must be approved by an administrator.
2. Must be attached to walls using masking tape only.

## **REQUIREMENTS FOR STUDENTS HOLDING OFFICES AND POSITIONS OF HONOR**

In order to obtain the best possible student leadership, and to prevent interference with scholastic achievement, all students must have the approval of the faculty members before consideration by the students for election or appointment to a student office or position of honor even though some of the positions are chosen through a tryout process.

The areas suggested to the teachers for consideration and approval are:

1. SCHOLARSHIP — Each student must be passing in all subjects.
2. CITIZENSHIP — Each candidate must be an above average student citizen. After gaining an office, a student failing to maintain any of the requirements will be placed on probation for a period of three weeks. A second negative report may cause removal from office.
3. DEPENDABILITY
4. COOPERATION
5. CONDUCT

## **CAUSES FOR DISMISSAL**

## **STUDENTS SELECTED FOR POPULARITY COURTS**

Students are elected to courts in conjunction with various events held on the high school campus. Examples include but are not limited to homecoming court, dance and ball courts, and prom court. It is the position of the district that these selections are based on popular election. However, if these court representatives are involved in activities that are extracurricular, or if the activity is held in conjunction with another activity that is considered extracurricular (i.e. Homecoming Court), then the students must meet all eligibility rules relating to extracurricular activities. Student participation in courts that are not considered extracurricular (i.e. dances, ball courts, prom court) must follow the guidelines as specified by the activity sponsor, or the campus principal. Student participation on any popularity court will ultimately be at the discretion of the campus principal.

## **TEXTBOOKS**

Students are issued a textbook for each subject they are taking if a textbook is needed. The books are numbered, and it is the student's responsibility to take care of the books. Any lost or stolen books are the responsibility of the student. The books belong to the State of Texas and are loaned to the student. Students will not be issued a new book until any lost or stolen book is replaced by payment.

## **WITHDRAWING FROM SCHOOL**

When it becomes necessary for students to withdraw from school, they should report to the Attendance Office. It is imperative that every student who withdraws from school follow all of the necessary procedures and obtain all of the necessary signatures pertinent to withdrawal. Failure to do so will delay the student's transcript being sent to other schools, jobs or military service. This process can take 20-30 minutes to complete.
